Jim,

I spoke with Paul briefly in Chicago about setting up a call with him to discuss the River, my perspective on our recent changes and how I see GP moving forward, collaboratively with the EPA and MDEQ, down the Kalamazoo River.

I would also like to set up a call with you to discuss the same items and your thoughts on the project.

Please let me know when would be a good time to set up a call.

Thanks,

L. Chase Fortenberry, P.G.
